ERA Downey McCarthy are delighted to present to the market this superb development site with a positive planning history. This unique opportunity comprises a centrally located development site extending to c. 0.395 Ha. (c.0.976 acres). Full planning permission (now lapsed) was granted by An Bord Pleanála on 28/11/2019 for 2 adjacent 'Build To Rent' apartment blocks extending to 6 storeys on the east side of the site and 17 storeys on the west side. Accommodation originally provided for 118 no. apartments together with an array of communal work and leisure spaces. The original ABP permission was amended on 19/7/2022 to provide for a revised design totaling 112 no. apartments more suited to the social and affordable housing market. This permission has also expired.

This property occupies a prominent position on the east side of South Link Road, adjacent to the Old Blackrock Road overpass. This is a superb location on the south side of the city centre, within convenient walking distance of both the central business district and the primary retail thoroughfares. The proposed development will have direct pedestrian access from the existing pedestrian bridge which links Hibernian Road with Rockboro Road. The surrounding area comprises a mix of retail, residential and commercial users.

| TOWN PLANNING

The property is zoned ZO 5 "City Centre" in the Cork City Development Plan 2022-2028. The principal objective of this zoning is to consolidate and facilitate the development of the central area and to promote its role as a dynamic mixed used centre for community, economic, civic, cultural and residential growth. Primary uses in this zone include but are not limited to retail, residential uses, community uses, offices, hotels, cultural and leisure facilities, education and healthcare institutions and facilities, and uses that contribute to the vibrancy and diversity of the City Centre.

| PLANNING HISTORY

Full planning permission was granted under a Strategic Housing Development by An Bord Pleanála on 28/11/2019 (ABP-305173-19) for 118 no. Build To Rent apartments which has now lapsed.

The original planning was amended by way of ABP decision dated 19/7/2022 (ABP-311308-21) to provide for a reduced 112 no. apartments suited to the social & affordable housing market. The amendments were considered minor in nature and there are no changes to the height or massing of the proposed building. The footprint and building envelope are unchanged as are the elevations. This permission has also expired.
