ERA Downey McCarthy are delighted to present to the market this superb ready to go residential development site located on the eastern side of Macroom Co Cork. Macroom is a thriving market town with a strong farming hinterland. It is located midway between Cork City and Killarney. Macroom is the gateway to Cork's beautiful Lee Valley and is well served by recreational amenities such as an 18 hole parkland golf course, Macroom Castle Demesne and water sports at the Carrig Waterski and Wakeboard Centre. Gearagh Nature Reserve is also popular with birdwatchers and wildlife enthusiasts. Cork City and Killarney are both within a 30 minute commute and there is a regular Bus Eireann service.

| DESCRIPTION

- Superb development site with FPP for 7 no detached dwellings and 4 no semi detached dwellings.
- Planning Permission is dated 8/2/2024.
- Planning Reference: 23/4184.
- Boundaries are clearly defined.
- While the gross area is c. 5.2 acres (c.2.1ha), the net development footprint is c.4 acres (c.1.62ha).

| LOCATION

The site is bounded by the existing Mill Reef Creek residential development to the West, Cork Street to the South and the Rivers Laney and Sullane to the North. The eastern boundary adjoins the bridge connecting the N22 to the R618.

The Macroom by pass is to the North and provides excellent connectivity to both Cork City and Killarney.
